I think they have read it and it is very clear. I would also say, I have quoted rule 311 which is the rule applicable to our proceedings definitely it says :

> "A point of order shall relate to the interpretation or enforcement of these rules or such articles of the Constitution as regulate the business of the Assembly and shall raise a question which is within the cognizance of the Speaker."

What exactly is the scope of the point of order is very clear and there was no point of order in the alleged inconsistency between the stand taken up by Sri A. J. Doddameti in having said something on a prior occasion and trying to argue on another line on a later occasion. That is over.

SRI G. V. GOWDA.—On similar lines.

MR. SPEAKER.—The Member is at liberty to have his opinion.

The secong point relates to the admission of an adjournment motion. As the House will agree that with regard to the adjournment motion, the question was to know whether any part of it was *sub-judice*. I observed even at that time that the motion under discussion before the House is so comprehensive that it will have its own repercussion with regard to the adjournment motion. The adjournment motion related to the firing that is said to have taken place at two places. I believe that was also discussed and I do not think there was any need to allow any adjournment motion for that purpose. Therefore, the ruling is that the adjournment motion is not admissible and cannot be allowed under the circumstances which have transpired on account of the debate that has taken place in the House for five days over every aspect of the matter covered by it.

BUSINESS TRANSACTED IN THE HOUSE SINCE MARCH 1962.

MR. SPEAKER.—Then I have to bring to the notice of the House that the Members have been given certain statistical information in respect of the business transacted by the Assembly from March 1962 to May 1966. This is a printed matter covering about seven pages, so that the Members may be aware.....

SRI S. SIVAPPA.—Is this the last session ?

MR. SPEAKER.—As to what we have transacted this time also will be given to the members at the end.

Members may kindly know that the House has been able to transact a fairly large amount of business under every head. And I am very happy to inform the House that the average time that we have worked every day is four hours 28 minutes and the maximum time allowed being four hours and 57 minutes. I do not think that any other Assembly can do that. The explanation is that for 22 days we have worked with two shifts.

(MR. SPEAKER)

I have analysed everything. It will be seen also that a number of Bills have been introduced, . I will place a copy on the Table of the House, which will also go into the proceedings. Everything has been given to the Members. I am very happy to see that the number of questions which have been answered are.—

SRI H. R. KESHAVAMURTHY.—Sir, certain new points were discussed and we request the Hon'ble Food Minister to reply.

MR. SPEAKER.—The Hon'ble Member must have a certain amount of knowledge of procedure. Moreover, this is not a debate for which a reply was due. Still we so managed so that the House might have the satisfaction, and the house was given the fullest opportunity, a reply was given.

MOTION OF MODIFICATIONS TO THE MYSORE MUNICIPALITIES (ELECTION OF COUNCILLORS) RULES, 1966.

MR. SPEAKER.—As regards the next business, I suppose the Hon'ble Minister has gone through the amendments. If there is any agreement it can be simplified. The matter relates to certain amendments which have been suggested. If there is any agreement, it is allright. Otherwise, we will continue the debate.

SRI R. M. PATIL (Minister for Development, Panchayati Raj and Municipal Administration).—Sir, I agree on three of these rules. Accordingly the rules have been amended and they have been notified. Notifications have been issued.

MR. SPEAKER.—I suppose the Hon'ble Member has got that.

Sri V. S. PATIL.—Only with regard to one.

MR. SPEAKER.—Let us see what has happened with regard to the amendments which have been carried.

SRI V. S. PATIL.—I am aware of only one with regard to No. 1.

MR. SPEAKER.—Which one ?

SRI V. S. PATIL.—That is the rule second from the beginning. "In rule 2, sub-rule (2) (a) for the words 'a mark' substitute the words 'his thumb-mark'.

MR. SPEAKER.—Therefore, it goes out and the member had not moved it.

SRI V. S. PATIL.—Yes, Sir. With regard to the rest.....

SRI R. M. PATIL.—There is one more thing. Amendment of Rule 3. In rule 3 of the Mysore Municipalities, President, Vice-President election rules.....

MR. SPEAKER.—There is no amendment moved by Sri V. S. Patil.

SRI R. M. PATIL.—After sub rule (5), the following sub-rule shall be added, namely, "in the case of elections held under sub-rule (1) (2).... four weeks from the date of the constitution or reconstitution of the municipal council.....referred to in sub-rule (4), as the case may be". Instead of "three weeks....."

MR. SPEAKER.—There are three amendments proposed. Which is the one covered by it ?

SRI V. S. PATIL.—In part 2.

MR. SPEAKER.—There are three in it.
